Health officials report deaths of 2 county residents

(McKINNEY, Texas) – A 61-year-old Plano woman and a 79-year-old McKinney man – both with underlying health conditions and COVID-19 -- died Saturday afternoon at local hospitals, according to a report received today by [Collin County Health Care Services](#) (CCHCS). No further personal information is being released, out of respect for their families.

These mark the 57th and 58th deaths of county residents associated with COVID-19 and reported to county health authorities.

As of this morning, the [Texas Department of State Health Services](#) (DSHS) reported 4,533 total confirmed cases of COVID-19 in Collin County so far, with 3,613 of those individuals reported to have recovered.

Collin County updates its [COVID-19 dashboard](#) each day at 3:30 p.m.
