By City Ordinance 10-3.G, City of Sachse Public Works Department will install the fire hydrant meter, and backflow prevention device to a fire hydrant indicated below. Contractor understands and agrees to the following:

- A deposit of \$2,025 is required. \$2,000 is refundable once the meter has been picked up by public works and determined to be in acceptable condition, and all fees and charges have been paid in full.
- **Meters will be read, moved, and picked up ONLY by Public Works personnel when needed.**
(Please call 972-495-7600 to relocate the meter or schedule a pick up when no longer needed.)
- The first relocation is no charge; each subsequent move will incur a \$50 charge.
- Fire Hydrant Meters will be free of obstruction or incur a \$50 obstruction fee.
- Contractors must comply with all regulatory ordinances pertaining to conservation.
- **AT NO TIME MAY CONTRACTORS UNLOCK, MOVE, OR CIRCUMVENT THE FIRE HYDRANT METER. ALL CONNECTIONS MUST BE THROUGH AN AUTHORIZED FIRE HYDRANT METER. VIOLATION OF THIS RULE WILL BE SUBJECT TO THE FOLLOWING TAMPERING FEES:**
 - **First offense \$500**
 - **Second offense.... \$1,000**
 - **Third offense..... \$1,500**
