

Sachse Spotlight - Matina Newsom

Have you met Matina yet? We love having her at the Sachse Public Library. Don't believe us? Ask around yourself.

"Matina has been a fantastic addition to our team at the Library. She has a remarkable and varied set of skills and talents that make her a great asset to the City. Whether she's cataloging the library's collection of books, developing our digital collection, or helping library patrons pick out a book to enjoy, Matina is detail-oriented, conscientious, and always willing to jump in and help wherever there's a need. I couldn't be more thrilled to have Matina as part of our team." - Daniel Laney, Library Manager

SACHSE Spotlight

MATINA NEWSOM
Technical Services Librarian

University of North Texas
Masters of Library Science
Bachelor's in Creative and Technical Writing

Matina has been with the City of Sachse for almost a year now! She has plans to write a novel one day, but until then she publishes a variety of news, interviews, and reviews on Batman-News.com.

"I love working for Sachse because the people are so supportive and welcoming here, making it a delightful place to come to everyday." - Matina Newsom

Matina also loves the fact that this position brought her closer to her parents, siblings, and their sweet pups. When she's not at the Sachse Public Library, you can find her baking, writing, and digging through her expansive backlog of books to read.

Make sure to stop by the library and ask Matina for a book suggestion!

Discover Your Bulk & Brush Collection Day

The City has new times to set out your bulk trash and brush collection. Bulk trash needs to be placed out no earlier than 48 hours prior to your scheduled collection day. What about brush? It goes out on the Saturday prior to your collection day.

Please Note: no more than 6 cubic yards of brush/bulk are allowed to be out on the curb at one time.

Not sure about your collection day? Check the interactive map on our bulk trash webpage: www.cityofsachse.com/bulktrash
